

# WILDHOOD 2024

## FRIDAY 7TH TO SUNDAY 9TH JUNE

TULLIBOLE CASTLE  
CROOK OF DEVON, NEAR KINROSS KY13 0QN

It's time to switch off from the outside world because WILDHOOD Festival 2024 is ON! Turn up for a day, join us for Saturday + Sunday, or pitch up for the full-on camping experience, kicking off with our Friday evening full of music, stories & songs, poems, circus skills and rockets to celebrate the launch of WILDHOOD!

Want to swap the tick-tock of the clock for unscheduled we-time? Amazing! Let the beat of your feet lead you through castle gardens and woodland trails, as you discover 90+ ACTIVITIES + ADDventures - ALL INCLUDED IN YOUR PASS!

Digging our 'go with the flow' vibe but also kinda LOVE A PLAN? Let's make it easy-peasy! The WILDHOOD Festival Programme includes our at-a-glance timetable of what's on in various locations, across the whole weekend. We've also included a more detailed A-Z of everything! There's an age guide for some activities too. Mostly though, all family and friends, whatever age, can join in!

Please note times are approximate but we'll run as close to schedule as we possibly can! Any changes will be posted to the WILDHOOD Family Facebook group and also to the Programme Boards across the festival site.

So gather your favourite people and start planning your WILDHOOD weekend!

And don't forget our theme for WILDHOOD 2024 is CARNIVAL! Think big celebrations, colour overload, high energy, and plenty of drumming and hip swinging! We can't wait to see your flamboyant style!

With love, The WILDHOOD Team xoxo

\*Our FAST-TRACK ADDventures - Tree Climbing, Archery, Axe Throwing and Stone Carving - are still available to pre-book AND we'll donate a percentage to charity CHAS. If you love a plan this means you can GUARANTEE a time slot for any of these super popular (and sometimes limited availability) experiences.

REMEMBER this is optional - you still have access to any of our 90+ ALL INCLUSIVE activities with your WILDHOOD pass - including the FAST-TRACK ADDventures. Just wander round and rock up to anything that catches your eye. If the activity is busy, go with the flow and you'll soon find another experience to entertain your wild child..!
